

## 技术参数表

### Technical Data Sheet

|                      |                      |
|----------------------|----------------------|
| 产品名称<br>Product Name | ZeniStarch XL        |
| 产品编码<br>Product Code | 517225               |
| 外观<br>Appearance     | 白色粉末<br>White Powder |

#### ❖ 成分 Ingredients

| INCI 名称<br>INCI Name                          | CAS-No.    | 含量(%)<br>Contents |
|-----------------------------------------------|------------|-------------------|
| 羟丙基淀粉磷酸酯<br>HYDROXYPROPYL STARCH<br>PHOSPHATE | 53124-00-8 | 93-95             |
| 水<br>WATER                                    | 7732-18-5  | 5-7               |

#### ❖ 理化特性 Physical and Chemical properties

|                                         |                 |
|-----------------------------------------|-----------------|
| 气味<br>Smell                             | 无异味<br>Odorless |
| 干燥减量, (w/%)<br>Loss on drying           | ≤15.0           |
| PH                                      | 5.0-7.0         |
| 相对密度(水=1)<br>Relative density (Water=1) | 1.60            |

#### ❖ 包装及储存 Packaging & Storage

|                           |                                                      |
|---------------------------|------------------------------------------------------|
| 产地<br>Made in             | 中国<br>China                                          |
| 包装规格<br>Packaging Spec    | 25Kg                                                 |
| 存储方法<br>Storage           | 阴凉干燥处避光密封保存。<br>keep and seal in dry and dark place. |
| 保质期<br>Period of validity | 2 年<br>2 years                                       |
